

Personal Information

Dang Huy Quoc Thinh

Address: Ho Chi Minh City (HCMC) Oncology Hospital
Country: Vietnam

Curriculum Vitae

Education

1982-1988 Medical doctor, General medicine, HCM City University of Medicine and Pharmacy
1997-1999 Specialist level 1, Oncology, HCM City University of Medicine and Pharmacy
2000-2002 Master degree, Oncology, HCM City University of Medicine and Pharmacy
2003-2005 Specialist level 2, Oncology, HCM City University of Medicine and Pharmacy
2006-2012 Doctorate, Oncology, HCM City University of Medicine and Pharmacy

Professional & Language experiences

1994-1995 Oncology practice (fellow), CHU de Grenoble- France
12/2000 Training course on Oncology, Hospital Sir Charles Gaidner Perth- Australia
06/2004 Conference (participant), ASCO meeting- Louisiana- USA
07/2004 FNCA- Workshop on Radiation Oncology (Speaker), NIRS- Chiba- Tokyo- Japan
12/2004 FNCA- Workshop on Radiation Oncology (Speaker), Mahidol University- Thailand
9/2005 Training course on Radiation Oncology, Training Center of VARIAN- Zug- Switzerland
01/ 2006 FNCA- Workshop on Radiation Oncology (Speaker), KIRAMS- Seoul- Korea
04/2006 Workshop on Radiation Oncology (participant), Chicago USA
01/2007 Workshop on chemotherapy for advanced breast and lung cancer (chairman), Shanghai- China
5/2008 Meeting on establishment of collaboration between HCMC Oncology Hospital and KIRAMS, KIRAMS- Seoul-Korea
6/2009 Meeting on second phase of collaboration between KIRAMS and HCMC Oncology Hospital, KIRAMS-Seoul-Korea
11/2009 3rd International Cancer Congress (speaker), Como- Italy
01/2010 FNCA Workshop on Radiation Oncology (Speaker), Kuching- Malaysia

- 06/2010 IAEA- AGaRT meeting (speaker), Vienna- Austria
- 08/2010 9th ACOS meeting (chairman and speaker), Gifu-Japan
- 09/2010 13th World Congress on Pain (Participant), Montreal- Canada
- 11/2010 FNCA workshop on Radiation Oncology (chairman and speaker), Tokyo-Japan
- 2/2011 Invited lecturer, University of Tokushima-Japan
- Meeting on establishment of RT training centers in SEA countries (speaker), Phuket-Thailand
- 3/2011 Meeting on Application of Brachytherapy for cancer treatment (speaker), Singapore
- 11/2011 IAEA- AGaRT meeting (speaker), Vienna- Austria
- 6/2012 10th ACOS meeting (speaker), Seoul- Korea
- 7/2012 IAEA- AGaRT meeting (speaker), Vienna- Austria
- 1/2013 FNCA workshop on Radiation Oncology (chairman and speaker), Bangkok- Thailand
- 10/2013 IAEA- AGaRT meeting (speaker), Vienna- Austria
- 12/2014 UICC World Cancer Congress(Speaker- HochiMinh City Oncology PC Model), Melbourne
- 04/2015 GBCC in Jeju Island (Speaker- Challenges of cancer care in developing countries), Seoul- Korea
- 09/2015 ESMO Cancer Congress(Receiver of ESMO Designated Center Award on Palliative Care), Vienna- Austria
- 11/2015 KGOG Conference(Speaker- Obstacles of Clinical trial in low resource contries), Seoul- Korea
- 04/2016 GBCC in Jeju Island (Chair), Seoul-Korea
- 11/2016 TACO- QA,QC Study meeting (Reviewer), Seoul-Korea

Fellowship(s) previously awarded

- 10/1994- Oncology Practice, CHU de Grenoble, Grenoble- France
- 10/1995
- 06/2007 Cancer Prevention Course sponsored by UNDP, Seoul National University Hospital, Korea
- 11/2007 Cancer Prevention course, WHO, NCC Singapore
- 07&08/2007 Summer course on Cancer control and Prevention, US NCI, US-NCI Maryland
- 7&8/2008 Training course on cancer prevention, ACS, Geneva
- 11/2009 Capacity building training, UICC, Singapore
- 2/2012- Leadership Skill Training (Leadership Development Initiative), University of San Diego California in conjunction with Harvard Medical School and San Diego Hospice, San Diego-USA

Membership

- HCMC Cancer Society: Vice president
- VN Cancer Society: Executive Council member
- HCMC Pain Society: Executive Council member
- UICC: Consultant member of strategic advisory panel
- ACOS (Asian Clinical Oncology Society): Board of Directors.
- ASCO (American Society of Clinical Oncology): member
- IAHPIC: Board of Directors
- FNCA (Forum of Nuclear Cooperation in Asia): study member on NPC (Nasopharyngeal Carcinoma) project coordinated by Japanese Ministry of Science, Education, Sport and Technology.
- IAEA: IAEA's AGaRT (Advisory Group on increasing access to Radiotherapy in developing countries) consultant member.

Publications

Main author:

- Procédure de la radiothérapie conformatrice tridimensionnelle et mise en correspondance des données pré et per-radiothérapiques, Bulletin du cancer, Journal de la Société Française du cancer, vol 82/suppl5-1995, 586-588.
- Feasibility of retroperitoneal pelvic lymph node exploration in cervical carcinoma. Assesment of morbidity in 33 cases treated by combined radio-surgery or definitive radiotherapy, Radiotherapy and Oncology 40 (1996), 233-239.
- Irradiation for lung cancer, HCMC Journal of Medicine, Supplement 02, vol 3, 1996, 217-220.
- Diagnosis and treatment of thymoma, HCMC Journal of Medicine, Supplement 3, vol 1, 1997.
- Local-regional recurrence of breast cancer, HCMC Journal of Medicine, vol 4, 2000.
- Neoadjuvant and RT for NPC, HCMC Journal of Medicine , vol 05, 2005.
- Acute toxicities and feasibility of weekly low dose cisplatin concurrent chemoradiotherapy for locally advanced nasopharyngeal carcinomas, HCMC Journal of Medicine, vol 14, 2010, 167-173.
- Oral mucositis in concurrent chemoradiotherapy for patients with nasopharyngeal carcinomas, HCMC Journal of Medicine, vol 14, 2010, 173-179.

Collaborating author

- Risk factors of oral cancers in HCMC, HCMC Journal of Medicine, vol 4, 2008, 62-68.
- Incidence of cancer in HCM City, VN Cancer Journal, vol 4, 2012, 23-27.
- Cancer burden in VN, HCMC Journal of Medicine, vol 4, 2008, 54-58.
- Radiotherapy for early glottis cancer, HCMC Journal of Medicine, vol 4, 2008, 81-88.
- Cancer and infection, HCMC Journal of Medicine, vol 4, 2009, 1-9.
- Effectiveness and toxicity in concurrent chemoradiation for advanced NPC, HCMC Journal of Medicine, vol 4, 2009, 91-100.
- Relation between EBV and NPC, HCMC Journal of Medicine, vol 4, 2009, 146-154
- Recurrence and distant metastasis in NPC, HCMC Journal of Medicine, vol 4, 2009, 137-145.
- Toxicity in concurrent chemoradiation for tonsillar carcinoma, HCMC Journal of Medicine, vol 4, 2009, 188-192
